give the approximate time within which we can have these volumes?

Mr. T. S. Narayana Ayyar.—I can't give the approximate time. Every effort will be made.

Mr. President.—There is no question of any amendments in this matter. Government will see that this matter is expedited by engaging private presses also.

Appointments in the Huzur in 1110.

160. Mr. Shabdai S. Koder.—Will the Government be pleased to place on the table a caste-war list of appointments made in the Huzur in 1110;

(a) whether a graduate of the Jewish community of Ernakulam was an applicant for the above post;

(b) the reason for not giving him the post?

Mr. T. S. Narayana Ayyar.—Please vide the list appended *(Appendix I.)*

(a) Yes.

(b) The appointments were made by selection after personal interviews by the Diwan.

Mr. Shabdai S. Koder.—In view of the fact that this applicant was the first graduate from the Jewish community of Cochin who applied for a post, is it not a glaring instance where the claims of the members of unrepresented communities have been deliberately overlooked?

Mr. T. S. Narayana Ayyar.—The only information I have with regard to this is that the candidate was interviewed by the Ex-Diwan and when the time came for appointment he was not appointed. It must be for some definite reasons that he was not appointed. The fact that he was called for an interview shows that the claims of unrepresented communities were recognised.

Mr. Shabdai S. Koder.—From the appendix I find that members of all other communities were appointed. No Jew is appointed. I do not know the reasons for it. Was there any Hitlerism here?

Mr. President.—The Hon'ble Member would not have been in his seat if there were Hitlerism.

Mr. Shabdai S. Koder.—Was there any other qualification necessary for this post? If not what were the reasons

for the Diwan to refuse this applicant?

Mr. T. S. Narayana Ayyar.—There is nothing on record. The reasons may be known only to the Diwan and probably to the candidate also.

Mr. Shabdai S. Koder.—Do the Government intend to enforce any fixed rules for the representation of unrepresented communities?

Mr. President.—There is a resolution coming up on this subject and it may be discussed then.

Mr. K. M. Ibrahim.—It is uncertain when we will come to those resolutions. So we want to avail ourselves of the earliest opportunity.

Mr. Shabdai S. Koder.—Am I to take it that the Government have no reasons to advance for the Diwan refusal to appoint this Jewish applicant?

Mr. T. S. Narayana Ayyar.—The Diwan did not consider him fit for appointment.

Representations from the Ceylon Malyali Mahajana Sabha.

161. **Mr. K. T. Mathew.**—With reference to Question No. 23 of July 29, 1935, will the Government be pleased to state (a) whether any reply has been received from the Government of India and (b) if so, whether the reply be printed and placed on the table?

Mr. T. S. Narayana Ayyar.—(a) No reply has been received.

(b) Does not arise in view of the answer to (a).

Printing of Judgments of the Trichur District and Munsiff's Courts.

162. **Mr. P. Raman Menon.**—Will the Government be pleased to state:—

(a) who prints the judgments of the following Courts:—(1) the Trichur District Court, (2) the Trichur District Munsiff's Court;

(b) how long have they been enjoying the said privilege;

(c) what is the average length of time taken for printing a judgment;

(d) has there been any application from anybody else

(8) No, the ex-President was requested to hand over charge to the President nominated by the Diwan in accordance with the Notification dated 17th Chingam 1111 to be published in Gazette dated 22nd Chingam 1111.

(9) The Panchayat had been continuing without formally elected President under the rules so much so that the work of the Panchayat had been suffering. Certain urgent arrangements had to be made by the Panchayat in connection with His Highness' visit and without a legal President it was thought that the reception could not be made satisfactorily. The nominations to the Panchayat were not over after which alone a President can be got elected under the rules. There was no time to wait for Gazette notification regarding the nomination of the President, to ask the ex-President to hand over charge afterwards and then make arrangements for the reception. An advance copy of the Diwan's notification dated 17th Chingam 1111 to be published in the Gazette was also furnished to the ex-President while requiring him to hand over charge.

Working of Local Self-Government

180. **Mr. K. M. Ibrahim.**—With reference to Question 366, dated 27th Karkadagam 1109, regarding the actual working of our Local Self-Government, will the Government give a statement of the resolutions of the Panchayat subsequent to it, in the same form as followed in the said answer and further explain why a similar question admitted several times for previous meetings has not been answered showing against each item of such non-answering the length of notice the Government had to their credit?

Dr. E. S. R. Menon.—A list containing the information is appended. (*Appendix VI.*)

As the Member does not specify the exact date when he sent the question, it is not possible to answer the later part of the question.
